Cause

The Problem:

Tens of thousands of Nicaraguan children suffer daily from malnutrition.

What Amigos is doing:

We are currently operating 4 feeding centers in the Chinandega area, serving a total of 180,000 meals a year to students who attend class.

Facts:

Students are more likely to go to school if they know they will be receiving a meal.

What you can do:

By supporting our event, Pedal for the Poor, you will be helping to feed *hundreds of students each day* Nicaragua.

Register to ride by following the directions on the right!

Ride
